ALTON, IL 62002

Laboratory Case #F17-000655
Agency Case # 17-0092

OFFENSE Unlawful Use of a Weapon
SUSPECT Charles Jones

The following evidence was submitted to the Metro-East Forensic Science Laboratory by Detective Mike Roderfeld on February 2, 2017:

EXHIBIT

1

ITEM SUBMITTED

Colt, model Army Special, 38 Special caliber revolver, serial #484478, and five Winchester 38 Special +P caliber unfired cartridges

FINDINGS

The firearm in Exhibit #1 was examined, found to be in firing condition and test fired. The test shots were marked Exhibit #1A.

Test shots fired in the firearm in Exhibit #1 were compared to the unsolved case file; however, the unsolved case file contained no fired bullets or fired cartridge cases with similar caliber and/or rifling characteristics.

The unfired cartridges in Exhibit #1 were examined for caliber and type only.

EVIDENCE DISPOSITION:

The evidence listed above will be retained in the laboratory evidence vault and should be picked up within thirty days.

Any analysis conducted is accredited under the laboratory's ISO/IEC 17025 accreditation issued by ANSI-ASQ National Accreditation Board (ANAB). Refer to certificate #AT-1699 and associated Scope of Accreditation.

Respectfully submitted,

Nicholas Jones, Ph.D.
Forensic Scientist
